Volume 100—Number 12 | CAMERON, MILAM COUNTY TEXAS, THURSDAY, JUNE 18, 1959 | 12 PAGES TODAY

Texas' Best Teen Driver

Pagach Wins State Road-e-o

William Pagach, 18, one of Cameron's state finalists in the Texas Jaycee Road-e-o, drove off with top honors Saturday for first place in the annual safe driving event.

All smiles after clearing the final maze of driving tests, Pagach was named top Texas teen-age driver with 509 points, 12 points ahead of his nearest rival.

It was a big week end for William, son of Mr. and Mrs. Will Pagach, Rt. 3, Rosebud, and 1959 graduate of Yoe High School.

Jaycee President John Schigut took Pagach and Curtis Fuchs to the contest in Stephenville Friday morning.

Fuchs 18th

Fuchs, a state contestant for the second consecutive year, placed 18th in the field of 41 finalist entries.

Pagach drew the plaudits of all the drivers and their sponsoring Jaycee clubs Saturday evening when he stepped forward to receive the winner's plaque.

It means a plane trip to Washington, D. C., in August, and competition against the other state winners from across the nation.

WILLIAM PAGACH

He will be in Washington for four days. And he may come back with as much as a $2,500 first-place scholarship if he duplicates his driving accuracy in the capital city.

Jaycees Plan

Cameron Jaycees are whooping up plans for giving Texas' top young driver a big sendoff and a present representing Texas to be presented to U. S. Jaycee officials in Washington.

William's parents are justifiably proud. And young Bill modestly acknowledges his accomplishment. He placed third in the Cameron contest, then won second behind Fuchs in regional competition. Then came the big win in Stephenville.

Cameron Jaycees met Monday night to make plans for William's trip and arrangements for his stay in Washington.

Ol' 100

With F M L

A young man, just graduated from Yoe High School, has brought state-wide recognition to Cameron and honors for himself.

He is William Pagach, 18, of near Cameron, who won first place in the Texas Jaycee Teen-age Driving Road-e-o at Stephenville.

He will represent Texas in the national contest with winners from all states and will be vying for a chance at $2,500 in scholarships in the Washington, D. C., finals.

Another Cameron district and McGregor regional winner, Curtis Fuchs, of Buckholts, ranked 18th in the field of 41 title drivers.

100-100-100-100

William's success proves the merit of two basic programs: giving young people a chance to compete and rewarding them for outstanding performances.

His immediate reward is expenses-paid trip to Washington by plane, four days in the capital city and a tour along with other contestants of capitol sights.

Should he place high in the final national competition, he has an opportunity for a college scholarship given as the ultimate prize in this annual Jaycee contest.

William's performance was indeed outstanding and worthy of our highest commendation. He has proved the mettle of Cameron youth and will represent the Lone Star State on his August trip. His desire to excell is outstanding. We watch with anticipation his final training for the Washington test.

100-100-100-100

"BROTHERS of the BRUSH"—We've been given the go ahead to start the culturing process of our beards, goatees, moustaches, muttonchops, sideburns and other facial matting for the "Western Week" beard growing contest.

Chamber officials have given the "all grow" signal.

A number of Cameronites are sporting their first few days growth.

I have been accused of a month's head start though a six months start would hardly show much difference. But the challenge stands: "outgrow Ol' 100's beard and you'll receive a reward—NOTHING! ALL I can guarantee is some jibes from friends and a lot of fun.

The Cameron Chamber will offer prizes for the best beards in several categories. But it costs us all 50 cents to enter after "Brothers of the Brush" badges get here.

Banks, Builders Boost C of C Storefront Plans

$200,000 Fund Set Aside For Modernization

The Cameron Chamber civic development committee has announced a comprehensive program for business front improvement with co-operation of Cameron banks, contractors and building suppliers.

Doc Harden, chairman of the civic improvement committee, said that the Citizens National Bank and the First National Bank, Cameron, have each set aside $100,000 for the express purpose of building improvement loans.

And in turn, a number of Cameron builders, contractors and building suppliers have agreed to reduced rates on any modernization projects in conjunction with the Cameron Chamber's project.

$200,000 In Fund

The $200,000 fund has been set up for modernization loans from the date of publication of notice until December 15, 1959, Chamber Manager Richard Moseley said. Special rates applying to these funds, he continued, would be available only for the specified time and for the specific store front modernization or related interior work.

The same requirements have been forwarded by particpating contractors and suppliers, Moseley said.

Specific requirements are outlined in announcements on inside pages of this edition.

The Chamber move is unprecedented in Central Texas community history. A similar program was initiated in Oklahoma but did not include participation of builders.

Committee Meets

Civic improvement committeemen have met with architect advisers to study methods and designs for store fronts and have heard cost estimates on various types of storefront modernization.

Several Cameron concerns have already indicated interest in storefront modernization.

Moseley extended appreciation in behalf of the Chamber of Commerce "for the co-operation everyone has shown in boosting this basic community program."

Alcoa To Pour Sheet Ingots At Rockdale

Facilities for pouring sheet ingot have been approved for Alcoa's Rockdale Works and construction is expected to begin soon, according to an announcement this week from Works Manager R. R. Sugg.

Called "Direct Chill" (DC) casting units, the new facilities will enable the Rockdale plant to pour a part of its existing metal production into slabs which can be rolled into sheet or foil at other plants.

"This is not new production—just a way of making our metal more acceptable to a greater variety of markets," Sugg pointed out. Little increase in employment will result from the installation of the units.

Similar facilities are in operation now at the company's Point Comfort smelting plant.

The metal service building at Rockdale Works will be extended to provide room for the new DC units and to give more space for inside storage of metal. Rockdale Works already produces extrusion ingot and both 50 and 700-pound pigs.

Lions Banquet

Secrest To Speak

State Sen. Jarrard Secrest, Temple, will be the featured speaker Tuesday night when the Cameron Lions hold their annual "ladies night" banquet at the First Methodist Fellowship Hall.

New and outgoing officers for the 1959-60 year will be presented, according to Earle Pearson, banquet chairman.

Incoming officers are: Richard Williams; first vice-president Bill Crockett; second vice-president, S. D. Ripley; third vice-president, Charles Brady; directors, Earle Pearson, Eugene Mees and Dr. S. H. Richardson; secretary-treasurer, Tom Boyd. Mees is also tail-twister and John Schigut is lion tamer.

Outgoing president is James Wiggs. The new officers will actually be installed at a later date.

Sen. Secrest is expected to address the group of Lions, wives and public guests on the events of the spring session of the Texas Legislature in Austin.

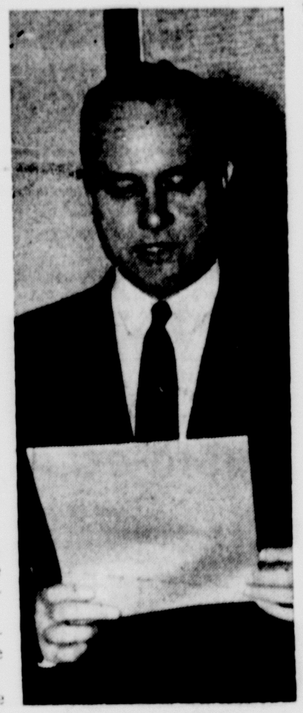
Pearson said the dinner will be open to visitors who wish to attend.

Recently cited as acting governor, Sen. Secrest represents the State senatorial district of Milam-Bell-McClennan Counties.

He is past president of the Temple Lions Club and has been active in district Lions activities.

Master of ceremonies will be Jack Prescott, Cameron attorney and a past president of the Cameron Lions Club.

Pearson said the program will begin at 7:30 p.m. Tuesday with dinner.



SEN. JARRARD SECREST

School Advises Ad Hall Residents To Organize Group

The Cameron School Board Thursday asked Ad Hall residents to work out a plan to maintain part of the old community school and discussed plans to implement a strong physical education program.

Board members advised representatives of the Ad Hall community that an agreement can be worked out so that the school building there can be used for community functions.

Board members discussed expanding present facilities for an improved physical education program and discussed feasibility of a Field House for locker rooms, showers and classroom for athletes, clearing the gymnasium for physical education department use only.

In other action the board accepted the resignations of Mrs. Sara Wilkinson and Mrs. Nora Burnett.

Board action also:

ONE—tabled decision on a bank depository until specific bids are checked by school auditors.

TWO—employed Ray Vance, certified public accountant for yearly school audit.

THREE—called for bids on typewriter maintenance and various types of boiler or heating systems for Ada Henderson School which has been declared inadequate by inspectors.

Board members considered requisitions for school supplies from various departments.

Combat Realism

Guardsmen Make 'Toughest' Camp

By Lloyd Albertson

North Fort Hood officers and men of Milam County's National Guard unit, Company C, 3rd Medium Tank Battalion, began their second week of training at North Fort Hood Monday morning in what was generally agreed to be the "ruggedest training of any summer camp."

The training had been rumored in advance as rugged, and during the first week it more than fulfilled the rumors.

Under orders from Maj. Gen. Clayton P. Kerr, the 49th Armored Division's new commanding general, the Guardsmen wore steel helmets and carried weapons at all times during the training sessions.

Another innovation was the close combat course and the infiltration course in the schedule.

Firing First Week

During the first week the Guardsmen were on the ranges firing for record with pistols, M-1 rifles, machine guns and rocket launchers. Also the tank crews received instruction on their new tanks and its weapon, the 90 mm gun.

Roughest raining for the Guardsmen probably was the infiltration course, which they went over on Tuesday and Thursday, twice during the day once at night.

On the infiltration course the Guardsmen are required to come out of treach and crawl on their stomachs about 100 yards under machine gun fire aimed 5 or 6 feet overhead and over a course liberally cluttered with logs and barbed wire.

Dynamite Blasts

Added to the noise of machine-gun firing are explosions of dynamite in pits along the course. All Company C members scheduled for the training completed the course.

Although there was some complaining about scratches and the heat, one Guardsman said that it wasn't too different from the time he was once discovered in a farmer's watermelon patch and the farmer started using a shotgun.

"About the only difference," he said, "was that on the infiltration course I didn't have a dog chasing me."

City Calls For Sewerline Improvements In Cameron

The City Council Tuesday night called for a sewerline extension in West Cameron and set an assessment deadline for property owners on E. 10th St. and N. Jackson to clear the way for paving.

After hearing John Pernice, Cameron, ask for action on outhouse problems in West Cameron, the Council instructed City Water Supt. Alvin Hefft to install necessary footage of sewerline to put houses without toilet facilities on city service.

Pernice represented a group of neighbors in the vicinity of his west Cameron home on Bowie Street.

The council also asked Hefft to outline necessary plans to install sewerline service throughout Cameron where outhouses are in use.

7-Day Notice

Councilmen voted unanimously to allow seven more days notice to property owners along 10th and Jackson Streets to make mechanics liens or payment for projected paving.

Slough Construction Co., contractor on the projects, is scheduled to begin paving within seven to 10 days on the streets, Public Works Supt. J. B. Earle told The Herald.

City records show that about $3,800 has been paid in advance for paving projects and about $1,800 remains to be paid prior to paving work.

Council approval came for Southwest Bell Telephone Co. to install conduit lines for telephone wire connects to the newly completed dial center at Travis and W. First Sts.

But approval was subject to careful repair of streets ditched through for conduit lines, officials noted.

Slag Usages

In other action the council heard a report from Mayor Bassel Wilson on slag material offered for Cameron's use by Alcoa Works, Rockdale.

Wilson said the material could be mixed 65 per cent slag, 29 per cent limestone and 6 per cent asphalt for a durable street surface.

He said that a cold-mix asphalt streetway was recommended by Alcoa engineers and test experts from Texas A&M College.

A test engineer from A&M will speak to the Cameron Rotary Club next Wednesday, Wilson said, to explain uses of the slag aggregate material.

State Lets Bids On Milam Projects

The State Highway Commission has let bids for two construction projects in Milam County, according to Carol Zeigler, state highway resident engineer, Hearne.

Bids were opened in Austin Tuesday.

Contracts were let for 4.208 miles of surfacing on FM Rd. 486 south from Thorndale to Conoley Church and for a Norman Valley Bride on FM 486.

Zeigler said the paving bid went to W. L. Barnes Construction Co., on a low bid of $227,056.26.

The bride project was awarded to Norman L. Larson Construction for a low bid of $153,749.32.

Volunteer Fire Team Attends Convention

The Cameron Volunteer Fire Department pumper racing team attended the 84th State Firemen convention in Fort Worth on June 9-10-11.

Those attending were Captain Jerry Mikula, Mascot L. J. Matula II, and the team, Eddie Kohutek, Bo Jenness, L. J. Matula, John D. Thompson, Buck Slavik and Jack Logan.

Also attending were Sheriff and Mrs. Carl Black, Frank Richter Sr., Delegate Narvie Caperton, Fire Marshal John Eanes, Mrs. L. J. Matula, Pat Matula and Miss JoAnn Weaver.

Milam County Has 9 Accidents In May

Sergeant O. L. Luther of the Bryan Area, of the Texas Highway Patrol, released Brazos, Burleson, Lee, Milam and Robertson Counties' Rural Traffic Accident Summary for May 1959.

Milam County had a total of 9 accidents with the following breakdown: personal injury, 4; property damage 5 and total property damage was $10,855.

Couple Injured In Cycle-Auto Collision Here

Two motorcycle riders were injured, one seriously, in a car-motorcycle collision 5 p.m. Sunday at the intersection of Jefferson and W. Main St.

Injured were: John Dean Crow, 24, of Cameron, and his wife, Mrs. Shirley Crow, both riding the motorcycle.

Crow was rushed to a local hospital where he was treated for multiple injuries including a broken knee, broken wrist, several broken ribs, and a head laceration. He was driving the motorcycle.

Mrs. Crow was released by medical authorities Sunday after treatment for cuts and bruises, according to Police Chief Chester Simons.

Driver of the car was Albert Smith, Jr., 25, of 809 W. 3½ St.

Simons said the motorcycle was going west on Main Street while Smith was heading north on Jefferson Street. He was driving a 1951 Kaiser.

Smith was ticketed for failure to yield right-of-way.

School Board Reprimands Superintendent

The Cameron School Board Monday voted 3-2 to reprimand Supt. Wiley W. Loughmiller and rescind a request for his resignation.

The vote came over a resolution reprimanding Loughmiller for appearing in public after drinking alcoholic beverages.

And Loughmiller complied with a request within the board's resolution to take action to forestall further criticism.

Board action came at special meeting Monday night. A regular monthly meeting was held Thursday.

Board memoers voting for the resolution said they condemned such causes for criticism of the school and said their decision was made in the best interests of the school and community.

"We feel it unbecoming of the superintendent or any other employee of the school to so forget his position," the resolution said.

Loughmiller in a letter noted accusations to the detriment of "myself and the Cameron school system."

"I have no ill will against any person in Cameron and will do my best to make the 1959-60 school year the best year you have known ..... If at any time a complaint is heard against the overall operation of the school or against any individual, including myself, I shall welcome this information and take whatever steps are necessary to effect the proper change."

All board members were present except Mrs. Lucille Monroe, who was out of town. H. B. Pressley presided.

Resident's Brother Dies

Mrs. David Shapiro and son Tommy flew to Philadelphia Sunday after receiving word of the death of her brother, John Sheehan. Funeral services were held Monday.

Services Held Here For Former Milam County Resident

Funeral services were held for Jess Avera of Lubbock Wednesday at 11 a.m. in the Marek-Burns Funeral Home. Rev. D. C. James officiated with burial in Oak Hill Cemetery.

Mr. Avera, 79, died in Lubbock about 1 p.m. Monday. He had been a resident of Milam County until about a year ago.

Survivors are two brothers, John C. Avera of Hereford and Richard Avera of Midwest City, Okla., 4 sisters; Mrs. Neil Hicks, Lubbock; Mrs. L. M. Laird of Lorena; Mrs. Alex Henderson and Miss Louise Avera, both of Wortham.

WEATHER NOTES

The Weatherman calls for continued warm temperatures in the 90's for the week with possibility of showers by the week end. Rainfall during the past seven days was .13 of an inch.

Heart Attack Claims H. F. Smith, Jr., 71

Funeral services were held 10 a.m. Monday for Hilliard F. Smith Jr., 71, retired banker and landowner, who died at his home Saturday morning of a heart attack.

A lifelong resident of Cameron and Milam County, Smith was born April 13, 1888 and died at his home, 1005 E. 12th St., Monday morning while working in his yard.

Services were conducted at the family residence by the Rev. James McKeown, Jacksonville, former vicar of All Saint's Episcopal Church.

Interment was in the Potter family plot, Hillcrest Cemetery, Temple, with graveside services conducted by San Andres Masonic Lodge, Cameron.

Son of Pioneers

Smith was the son of Milam County pioneers Hilliard F. Smith and Viola Oxsheer Smith, long-time banking family with extensive land holdings dating back before the Texas Republic.

He is the brother of Oxsheer Smith, Cameron, president of Citizens National Bank.

Smith's grandfather, W. W. Oxsheer, a large land owner, settled in what was to be Milam County in 1840 along with his uncle William Wilson, father of Goodhue Wilson. He was active in organizing Milam County and was its first clerk.

Smith had worked three years in the Cameron bank before going into farming and ranching about 1912. He was educated at Southwestern University, Georgetown, Texas A&M College, College Station, and Eastman Business College, New York, N. Y.

He was known throughout Central Texas and his death came as a shock to family and the Cameron community.

H. F. SMITH, Jr.

Stricken At Home

He was apparently well Saturday morning and went to his farm in the county. Then he returned to work in the yard with his wife and a yardman. He was stricken there. He had suffered one previous attack 15 years ago.

Survivors are: his wife, Ethel Potter Smith; three sisters, Miss Aetna Smith and Mrs. Rush Thomas, Cameron, Mrs. Vernon McIntyre, Alpine; his brother, Oxsheer Smith, Cameron; two nieces, Mrs. Jeanette McIntyre Morrow, Alpine and Mrs. Viola Thomas Ford, Corpus Christi; two nephews, Goodhue Smith, Waco, and Hilliard S. Thomas, Cameron; and a sister-in-law, Mrs. Goodhue Smith, Sr. Waco.

Smith was a member of the All Saint's Episcopal Church, Cameron, and a member of the Little River chapter and council of the Masonic Lodge, a 32nd degree Scottish Rite Mason and a Shriner.

Pallbearers were: W. A. L. Robinson, Niley J. Smith, Alvin Nolte, John Davis, Dr. George Bowman, Richard Bush, W. C. Wallace and Drayton McLane.

Honorary pallbearers were: Dr. G. V. Brindley Sr., Dr. G. V. Brindley, Jr., Dr. Olen Gober, Albert Collins, Cecil Criswell, Dr. C. G. Swift, Stanley Swift, Robert Weems, members of the San Andres Masonic Lodge, Little River chapter, and council.

Funeral arrangements were by Marek-Burns Funeral Home.

a decade of dynamic development with

ALCOA PEOPLE AND ALCOA PRODUCTS

Texas' first pound of primary alumirum came out of an Alcoa smelter just ten short years ago.

Since then, an inspired research and development program . . . climaxed by remarkable progress in power plant and potline construction . . . has skyrocketed Texas to number one spot as today's top aluminum-producing state for Alcoa—oldest and largest aluminum producer in America.

Now, a great new plant's on the way! In Point Comfort, an alumina refining plant has begun to process ore brought from South America and the Caribbean. This newest development requires a deep-draft channel into Matagorda Bay. The channel will open a whole new and vital section of Texas to world trade.

Growth in this area is unlimited. With all these facilities in operation, *over 3300 Alcoans* are Texas taxpayers and community builders. Their wages total almost $20 million. These wages, along with the company's annual purchase of Texas goods and services, add more than $75 million to the Texas economy each year. Here's to more new markets and continued teamwork—so that you and Alcoa and Texas find a future full of bright prosperity.

Mr. and Mrs. Joe Semak of Houston and Leroy Klapka of Corpus Christi were Saturday guests in the L. W. Klapka home.

Mr. and Mrs. Jack Alosher and three sons of Kemah and Yvonne and Barbara Klutts of Morgan City La., visited the E. J. Parkers last week.

Roy Johnson and daughter Ellen of Cleburne visited in the C. E. Russell home Tuesday.

Mrs. O. D. Hairgrove of Ft. Worth visited her parents, Mr. and Mrs. C. B. Leonard recently.

88 Scouters From 10 Counties Attend Budget Conference

Eighty-eight Scouters from 10 Central Texas counties particpated in the Budget Planning Conference of the Heart O'Texas Council at Camp Tahuaya June 8.

Under the leadership of Council Finance Chairman, Rodney Brown the budget for the next fiscal year was planned. The men working in eight different committees proposed a budget of $107,844.00 which was approved later by the Council Executive Board.

Attending from Cameron were Richard Williams, Tejas District Chairman, H. D. Maxwell, member of the Council Explorer planning Committee and Burts Kennedy District Executive.

Heading the various sub committees of the Budget Conference were: Roy Smith, Killeen, Personnel Study; Hubert Davis, Marlin, Leadership Training; Andy Macuila, Waco, Camping and Activities; Gen. R. Q. Brown, Fort Hood, Health and Safety; William Matthews, Waco, Advancement; John Bown, Temple; Organization & Extension; James Vodrey, Copperas Cobe; Commissioners; Rodney Brown, Waco, Finance.

The Heart O'Texas Council is a member Agency of the North Milam County United Fund.

Dr. W. R. White, Council President challenged the group with the thought that the $107,844. represents the service we want for our boys in Scouting; now it is our responsibility to raise the money.

Linotype Operator Tells Of Lake Corpus Christi Fishin'

By Vern Sanford

Every once in awhile a newspaper reporter or columnist or a press association manager receives a letter from a Linotype operator who works on some newspaper that publishes his material.

For you who do not know the duties of a Linotype operator — he is a typesetter who sits at a huge machine and types out on a keyboard, much like the typewriter, a message which has best sent him by a reporter. This message is converted by the machine into metallic type on what are known as slugs, made from molten metal — a line at a time. Hence the name Linotype.

Every so often, a Linotype operator will dash off a note on one of these machines to a friend. Then all he has to do is pull a proof of the type and mail the proof to the person. We like to get these letters because they are different and so individually manufactured.

We have such a letter from Floyd McKnight, Linotypist on the Bishop (Tex.) News. Here is what he says:

"We use your column in our newspaper every week. Since I run it out on the Linotype each week and just happen to be one of those habitual fishermen, I'd like to tell you what has been happening up at Lake Corpus Christi on the Nueces River the past few weeks.

"This writer is not a fresh water fisherman. All my fishing is in salt water in the bays and the surf.

"However, I took my family to the lake last week end for a camping trip and saw something I did not believe possible. Men, women and Negro kids were catching bass in every slough I drove by. They told me the fish had been hitting that way for several weeks.

"Believe it or not, they were catching most of the bass on my favorite salt water spoon — the No. 5 Tony Accetta. Occasionally there was a good catch made on some kind of a humpbacked wiggler.

"I saw a ten-year-old boy catch seven bass in eight casts with a Tony.

"Guess I will have to take my salt water outfit and go up this weekend for a try at it."

Thank you, Floyd, for the letter. I'd like to answer the same way in type . . . as I'd like to mention something that is developing.

First, salt water fishermen and inland lake fishermen are learning that fish will hit all types of lures. A lure that is good for salt water fishing often is equally as successful in still water fishing, and vice versa. So it looks like the rig you already have will serve well in both instances.

Second, I have been told that Lake Corpus Christi really should not be fished this year as the fish still are small.

Third, I am also told that if Lake Corpus Christi really should be as "hot as Falcon" next year. And Falcon, as you know, has gained the reputation of being one of the top fishing spots in Texas this year.

Anyway, best of luck to you—and may you take them large and often.

Skinning the Catfish

That old saying that there is more than one way to skin a cat must have originated with an old-time trotline fisherman.

Actually there are several ways to do the job. However, here's one sure way that certainly makes for more tasty meals.

First, hang the catfish while still on the stringer, from a tree limb or from a nail driven into the tree or a post.

Next, cut off the tail, just above the tail fin, so that the fish will bleed freely. Then leave the fish hanging until all blood drains from the body. This should take but a few minutes.

Your next operation is to cut through the skin, around the head and below the gills. Then take a pair of sharpnosed pliers, grab the skin, and pull downward, so as to peel the skin off the fish, all around its body.

After all the skin has been removed, your next operation is to gut the fish. In performing this operation, you'll find that all blood has drained from the fish's insides, and the cleaning problem is not nearly so messy.

Removal of the blood from the body, before cleaning the fish, seems to add a much better flavor to the fish.

To kill a cat most fishermen take a sharp-pointed icepick and thrust it through the soft part of the head, above and between the eyes, into the brain. This kills the cat quickly.

Others prefer to drive a large nail through the fish's head and into a tree or pole. This latter procedure not only kills the cat quickly, but it also provides a firm anchoring base for the skinning operation, as well as the gutting process.

After gutting the fish, cut completely through the meat, under the gills and around the head. Then sever the head with a sharp snap of thw rist or by means of a meat cleaver or a sharp butcher knife.

Final operation before washing thoroughly is to remove the fins so that all that is left of the fish is meat and backbone.

Some fishermen — as a matter of precaution against finning—either break or clip the sharp points off of each of the fins. This eliminates the possibility of injury to the fisherman, from a wildly flipping catfish—while boating, stringing, or cleaning.

Cameron Wins 10-1 In Cen-Tex Action

Cen-Tex league baseball action last week was led by Cameron's 10-1 upset of Eddy. The leagues highlight game between Pendleton and Hurricane Fence of Temple was cancelled due to wet grounds at Pendleton with no scheduled rematched game.

In other baseball Killeen edged Salado 4-3 to move into a tie with Hurricane for second place. Cameron's win, coupled with losses by Eddy and Salado, took them out of the cellar to fifth place behind idle Westphalia.

The Standings

Pendleton	3	0	1.000
Hurricane Fence	3	1	.750
Killeen	3	1	.750
Westphalia	2	2	.500
Cameron	1	3	.333
Eddy	1	4	.333
Salado	1	4	.250

Next Week's Schedule

Salado at Hurricane
Westphalia at Cameron
Pendleton at Killeen
Eddy, idle

Cats Drop Owls 8-0 In League Action

The Cats dropped the Owls in Babe Ruth League action last week 8-0 behind the five hit pitching of Bob Dymkie.

The cats picked up eight hits with Chester Simons leading the team going three for four.

The losing pitcher was Steve Malone who relieved starter David Walston in the second inning. Stanley Summers took over for Malone in the sixth.

The Owls got five hits with Steve Malone getting two of them.

AS A COMMUNITY SERVICE AND IN COOPERATION WITH THE STORE FRONT MODERNIZATION PLAN OF THE CIVIC IMPROVEMENT COMMITTEE OF THE CAMERON CHAMBER OF COMMERCE

Cameron Banks Have Set Aside $ 200,000 To Lend At...

A SPECIAL RATE FOR THIS PARTICULAR PURPOSE

To Modernize Your Place Of Business And Increase The Value Of Your Property

In cooperation with the Cameron Chamber of Commerce Civic Improvement Committee's plan of Store Front Modernization and in cooperation with the group's efforts to encourage owners and tenants of business buildings in all business districts to modernize and to maintain — or even increase — the value of their buildings, the management of Cameron's two progressive banks has earmarked for store front modernization a total of $200,000 (each bank setting aside $100,000).

Your banks will make approved loans on the F. H. A. plan of monthly repayment over a period as long as 60 months if necessary. Instead of charging the amount of interest required under the F. H. A. plan Cameron banks will make the loans at a lesser rate.

The modernization loan money will also be available for interior improvements in your places of business if tied to a program of exterior modernization. This offer will become effective immediately and will continue until December 15, 1959. This money will be available to qualified borrowers.

Your Cameron banks believe in the future of Cameron and in the businessmen and businesswomen of the community. This offer is our part in cooperating with the Store Front and Modernization program of the Civic Improvement Committee of the Cameron Chamber of Commerce to make a success of a much needed program of community betterment.

The Chamber of Commerce committee is doing excellent work in getting the ball rolling, and your Cameron bankers are glad to help in any way possible. Let's all work together to make Cameron one of the finest communities in America. If the Cameron banks "Modernize Cameron" plan will help you, come in and let's get started.

Join Cameron's "Parade Of Progress" Plan:

MODERNIZATION

BUILDS CITIES AND BENEFITS ALL

MONEY AT SPECIAL RATES
To Modernize Your Place of Business

The plan is available for any number of months you desire up to 60 months. The following are samples of the way the plan would work. It is not intended to limite the amount of one loan to $5,000. Remember, modernization must start between NOW and December 15, 1959, to be eligible under the Cameron "Parade of Progress" plan.

Amount Financed	Amount of Note	Monthly Payments
12 MONTHS		
$1,000.00	$1,030.00	$ 85.84

Alyse Cunningham, Mr. Michalka Wed

Miss Alyse Marie Cunningham and Mr. Joseph Francis Michalka were married May 30 at Christ The King Church, Kilgore, at 10:30 a.m.

The bride is the daughter of Mr. and Mrs. A. A. Cunningham of Overton and the groom is the son of Mrs. Joseph Michalka of Cameron.

Father Anthony Bruzas of Kilgore performed the double ring ceremony before an alter banked with bouquets of white gladiolius.

Joe Proctor of Kilgore, organist, furnished traditional wedding music and soloists Miss Bonnie Trotter and Mrs. Verner Laird, sang "The Lord's Prayer" and "Ava Maria".

The bride, given in marriage by her father, wore a gown of reembroidered Alwncon lace with a scooped neckline sprinkled with sequins, featuring long tapered sleeves and a chapel length train. The gown carried an auro of regal simplicity. Her four tiered cloud veil of finger tip length was attached to a Juliets cap.

She carried a cascade bouquet of frenched carnations centered with gardenia.

Miss Anyse Cunningham of Overton served her sister as maid of honor and matron of honor was Mrs. Jack Armstrong of Pasadena. Bridesmaids were Miss Sue Baker, Overton and Mrs. Billy Cobb of Dallas. They were identically dressed in yellow silk organza dresses with chantilly lace ballernas. They carried colonial bouquets of white daisies.

Miss Lisa Michalka, niece of the groom, from Sour Lake, was flower girl. She wore a white organdy dress with yellow lace sash and carried a yellow basket.

Lawrence Michalka, brother of the groom from Sour Lake was best man. Groomsmen were Mr. John W. Fite, Mesquite; Mr. Steven Polzer, Cameron; and Mr. Jimmy Rettig, Cameron. Ushers were Mr. John Marshall, Cameron and Mr. Billy Cobb of Dallas.

There was a reception immediately following the ceremony in the Community Building.

Mrs. Emmet Martin Jr. of Commerce served the cake, while Miss Nancy Newman of Ennis poured punch. Mrs. Bruce Hughes of Longview, registered the guests.

Others in the houseparty were Miss Ruby Hays, Miss Marilyn Meissner, Mrs. John Baker, Miss Charlsey Rogers, Mrs. N. M. Pittman, Mrs. C. A. McCarty and Miss Donnie Barnet.

The mother of the bride wore a navy silk suit with navy accessories and a white carnation corsage, while the mother of the groom wore a navy crepe suit with navy accessories and a white carnation corsage.

For a honemoon, they plan to visit points of interest in La. Miss., Ala., Tenn., and Ark.

The bride is a graduate of East Texas State Teachers College, where she was president of Tooanoowe, vice president of Women's Recreation Ass'n, member of Club Council Forum, French Club, Student Senate, Phi Pi Delta, intramural representative, cadet colonel nominee. She has taught school for one year at Sabine.

The groom is a graduate of East Texas State College and is a member of Paragon, varsity basketball team for four years, National Education Association, Phi Pi Delta, and future teachers of America.

The couple will make their home in Cameron this summer and plan to do graduate work at East Texas next year.

MRS. JOSEPH MICHALKA

Beth Brady Feted On Fifth Birthday

Beth Brady, daughter of Mr. and Mrs. Charles Brady Jr., was honored on her fifth birthday with a "Peter Pan" party at her home.

Multicolor stars and Never Never Land in big letters were strung across the patio. Dolls dressed as Peter Pan and all his friends surrounded the birthday cake which was a three foot replica of Captain Hook's Pirate Ship.

Refreshments were served to 35 little guests.

Niley Smiths Leave For European Tour

Mr. and Mrs. Niley Smith left Fort Worth Wednesday with a group of 23 Texans for a 5 week Farm and Ranch tour of Europe.

Leaving New York by plane today, the tour will include both city and rural centers in Scotland, England, the Netherlands, Austria, Switzerland, Italy, France, Denmark, Liechtenstein, and Monaco.

CYO To Sponsor Dance Sunday

The CYO will sponsor a dance Sunday night June 21, 8:30 to 11:30 at Simon George Hall.

Music will be furnished by the Gilbert Kautz Orchestra.

The public is invited.

Miss Inge, Jungmann Wedding Party Feted

Mr. and Mrs. Robert Jungmann were hosts for a rehearsal supper Friday evening honoring Miss Peggy Inge and Carroll Wayne Jungmann.

Attending were the wedding party and a number of friends and relatives from Buckholts, Yarrellton, Temple, Bishop, Cameron, Columbus, Rio Medina and Lexington.

TELEPHONE TALK

by C. L. Carson, Manager

THE WORLD'S TELEPHONES

The world's telephones totaled 117,800,000 at the last count a year ago. It required that much time to bring the statistics together.

The United States with 63,621,000, accounted for more than half of the total telephones in the world-of which 89 percent are dial. This is about twice the number of the telephones you could reach in 1948.

Another interesting fact about telephones in the United States is this; for every 100 population there are 37 telephones in service, as compared to 4.2 telephones per 100 population for the world. It is possible for you to reach 97 percent of the world's telephones from your telephones here in Cameron.

Being able to reach more telephones makes your telephone service more valuable.

VACATION HINT

When you stop in the middle of your vacation this year to remember friends or family back home, why not give the "wish you were here" greeting a new twist.

Do it with a Long Distance call. It's more fun that way, and you can catch up on the news at home, too.

And remember to call station-to-station. It's cheaper — you can make three calls for the price of two.

BUSY TELEPHONES

With school out for the summer, telephones in many houses will probably be getting a real workout.

There'll be calls from the children's friends at most any hour of the day — to round up the group for a game, to arrange to meet at the movies, or to compare notes on a new bike or the latest record album.

Whatever the call, the telephone is always there to help teenagers—and small fry, too—have more fun during vacation.

If you have children whose friends keep the phone ringing at a merry clip, make it easy for your youngsters to answer without running through the house. Extension telephones will do the trick.

Why not call the telephone company for a home extension telephone today? The cost is low, just $1.00 a month plus installation.

Call by number. It's twice as fast.

200 Attend Fikes Lynch Reunion Sun.

A picnic luncheon, swimming, picture taking and visiting were enjoyed by more than 200 relatives at the annual Fikes-Lynch reunion held Sunday at Wilson Ledbetter Park.

Hosts for the occasion were Mr. and Mrs. Joe Fikes, Mr. and Mrs. Ralph Fikes, Mr. and Mrs. Chester Fikes, Mr. and Mrs. Elby Fikes and Mr. and Mrs. Garland Fikes.

Plans were made for the 1960 reunion to be held the second Sunday in June at Wilson-Ledbetter Park.

Attending in addition to a large group from Milam County area were Mr. and Mrs. Royce Fikes and family, Mr. and Mrs. Coy King and family, Mrs. Dora Lee Mackey and Wanda, Mr. and Mrs. Ralph Fikes and family, Mr. and Mrs. Franklin Fikes and family, and Kenneth Brumlow, all of Houston.

Mr. and Mrs. Luther Fikes, Mr. and Mrs. C. B. McCain, Mrs. Millie McCain, Mr. and Mrs. Hardy Fikes, Mr. and Mrs. Chester Fikes and Allen all of Corpus Christi.

Mr. and Mrs. Homer Fikes, Mr. O. B. Loyd, Mrs. Etta Martin, Leonard Fikes of Ballinger.

Mr. and Mrs. Elsmer Fikes and family, Mr. and Mrs. Douglas Fikes and family, Mr. and Mrs. Alvin Fikes, and Mr. and Mrs. Ronald Beaty, Denson Fikes, Miss Lida Bailey, Jack Clark, Mr. and Mrs. Dude Beckworth and family, Mr. and Mrs. Frank Holcomb and family, Mr. and Mrs. James Vivian, Mr. and Mrs. Jack Beckworth and family, Mr. and Mrs. Alvin Fikes Jr. and family, and Mr. and Mrs. Fred Matheson and family all of Waco.

Mr. and Mrs. Daw Johnson and Harold and Dewey Fikes of Chilton.

Mr. and Mrs. J. D. Thompson Belton; Pat Brooks, Fort Worth; Mr. and Mrs. James Sapp and family, Clute; Mr. and Mrs. G. C. Fikes, Arlington; Mr. and Mrs. W. L. Eplen, Hempstead, Mrs. Pearl Jaggers, Hempstead; Lynn Leidecker, Vanderberg, Calif.; Mr. and Mrs. L. R. Wallace, Irving; Mr. and Mrs. H. A. Bishop, Denning, N.M.; Mr. and Mrs. E. M. Beckworth, Tyler; Wallace Colburn, Austin; Mr. and Mrs. T. L. Rowe and family, Gladewater; Mr. and Mrs. Elby Fikes and family, Port Lavaca; Mr. and Mrs. Fate King and Barbara Bruggman of Temple.

Garden Party Honors Rosemary Winburne

Miss Dorothy Kelley, Mrs. Irma Kelly and Mrs. Edwin Brod honored Miss Rosemary Winburne, bride elect of Joe S. Bland, with a garden party June 10 at the Kelly home.

The honoree, her mother, Mrs. L. D. Winburne, Mrs. J. W. Hartman Jr. and Mrs. Brod greeted the guests as they entered the garden through an archway of greenery. The garden was lighted by wrought iron hurricane lamps.

Miss Helen Reid registered the guests.

The focal point of interest on the serving table was an arrangement of pink and white gladiolius and bells of Ireland flanked by antique crystal candle holders.

Alternating at the punch service were Miss Evelyn Whitley and Miss Lois Nell Bradford, both of Temple; Miss Carol Ann Crook, and Darlene Moore.

Others in the house party were Miss Peggy Mullinax, Mesdames W. H. Kuehl, Frank Reed and Homer Allen.

The honoree served as grand representative from Wisconsin to Texas Order of the Rainbow for Girls.

Mary Ellen Ingram, K. Caldwell Married

Miss Mary Ellen Ingram became the bride of Kenneth W. Caldwell May 22 at the home of Mr. and Mrs. Melvin Dorner.

The Rev. Loyd Burleson, pastor of the Battetown Baptist Church, performed the double ring ceremony.

Parents of the bride and groom are Mr. and Mrs. Jack Ingram and Mr. and Mrs. B. C. Caldwell.

The bride chose for her wedding a light blue lace over satin dress and carried a white Bible belonging to her mother.

After the ceremony, a reception was held in the dining room, with cake and punch served to the guests.

The bride is a 1959 graduate of Yoe High School and the groom is employed in Temple. They are making their home at 500 West 6th, Cameron.

Buckholts Is Scene For Tea Honoring Miss Peggy Inge

Miss Peggy Ann Inge, bride elect of Carroll Wayne Jungmann, was recently honored with a tea at the Education Building of Hope Lutheran Church, in Buckholts. Hostesses were Mrs. A. Jungmann and Mrs. E. C. Boecker.

The bride elect wore a pink chiffon dress with white accessories and white carnations corsage.

The tea table was covered with a linen cutwork cloth and centered with an arrangement of dahlias, gardenias, and other garden flowers decorated the party rooms.

Miss Dorothy Ann Boecker registered the guests and Misses Stella and Patsy Inge were in charge of gifts. Mrs. Bently Hause served cake squares and Mrs. Billy Hornung presided at the punch bowl.

Approximately fifty guests registered.

93 Guests Attend Slama Reunion At Simon-George

Ninety-three guests registered at the Simon-George Hall in Cameron Sunday for the Slama reunion.

Hostesses for the occasion were Mrs. Anna Slama, Mrs. Bessie Dakel, Mr. and Mrs. Arnold Juergens, Mr. and Mrs. Ollie Ernst, Mr. and Mrs. Robert Busker and Mr. and Mrs. Leo Hollas.

Games were played and a door prize was awarded. The one farthest away attending, the oldest and the youngest also received prizes.

Those attending were:

Mr. and Mrs. Steve Slama, Mr. and Mrs. Sam Yeager, Mr. and Mrs. Leo Pavlas and children, Mr. and Mrs. Luke Pirtsenella, Mr. and Mrs. Louis Bryant and children, Mr. and Mrs. Stanley Pavlas and children of Bryan.

Mrs. Bessie Dakel and Mr. and Mrs. Robert Busker of Lott.

Mr. and Mrs. H. Cooper and children, and Mr. and Mrs. James Bird and children of Austin.

Mr. and Mrs. Steve Perry, Mr. and Mrs. Fred Zander and children, Bert Slama, Mrs. Cora Slama, Mrs. Nathan Bird, Mr. and Mrs. P. Smith and children, Melvin, Kenny, Mr. and Mrs. Jim Harden and children of Houston.

Mr. and Mrs. Sie Pillow, Mr. and Mrs. Ladis Pavlos and children, Mr. and Mrs. Frank Knesek of Caldwell.

Mr. and Mrs. J. J. Martin, Mr. and Mrs. Gib Terry and Nancy, Mrs. T. A. Crawford, Mrs. Truman Pembroke, Mrs. Anna Slama, Mrs. Leo Hollas and children of Cameron.

Mr. and Mrs. Arnold Juergens and family, Mr. and Mrs. Ollie Ernst of Rosebud.

Mr. Eugene Ernst, Dallas; Mr. and Mrs. J. J. Byrd, Del Rio; Joe M. Slama Jr., Texas City; Mr. and Mrs. David Pinkerton, San Antonio; Mrs. R. L. Guthrie, Clarence Guthrie, San Gabriel, Mr. and Mrs. Dennis Robroker, Waco and Mr. and Mrs. Bill Freriches, Mr. and Mrs. Lee Froechel and Kris and Kay Koehn, Temple.

Bridal Dinner Fetes Miss Gloria Bassie

A bridal dinner honoring Miss Gloria Bassie, bride elect of Mr. Henry Ray Brown, was held Saturday evening. Mrs. L. H. Matthews, sister of the groom to be was hostess.

The table was centered with pink gladiolius decorated with pink and blue ribbon.

The guests included Mr. and Mrs. Leo Laake, Mr. and Mrs. Ellis Coker and Mr. and Mrs. Joe Stanislaw, Rockdale.

The wedding will be an event of June 20th in Fort Worth.

Gene Goldfarb returned to Cameron Wednesday night following a 5 day visit with his family in Massachusettes.

On Looking Ahead...

The city of Cameron is brinking the gap behind ultra-progressive centers such as Dallas on the strength of front-rank planning.

That planning has taken form in a $200,000 fund set aside by both Cameron banks for building front improvements throughout this Milam County seat.

Both institutions are implementing the Cameron Chamber's snow-balling civic improvement program with the dollar equipment to turn Cameron's business district into a model center of business architecture.

And Cameron contractors and building suppliers are offering building materials and services at reduced rates in conjunction with the civic improvement drive.

We would look beyond the borders of Texas before finding comparable action in cities the size of Cameron.

It convinces us that Cameron's historic stature as a Texas financial and business center is proving the adage: "class will tell!"

This unprecedented move in Central Texas community building programs leaves no doubt that Cameron has the stuff of which cities are made.

Let us suppose there are about 100 downtown businesses. If each would improve the front or do allied interior remodeling at an average of $2,000 per business, the business face of Cameron would equal or surpass that of any comparable size-age city in this Lone Star State.

And our claim to superiority would not only be assured in appearance. It would justify its accomplishment in drawing enthusiastic shopping, residential, and industrial support from sources once considered beyond this city's reach.

If there is any doubt about the importance of building appearance and correlated improved buyer interest, we recommend interviews with those businessmen and shop owners in districts of any cities where physical improvements were not implemented.

Cameron Chamber members, bankers and community leaders recognize these necessities. The Cameron Chamber is banking on the resiliance of Cameron people of all vocations to make reality what is necessity. And finances are now available to do the work.

We have every reason to gap any uncertainty of these times with action. While other cities look over their shoulders, Cameron will look ahead.

The Little River Philosopher

Finds Good Reason For Going Ahead And Conquering Space

Dear editar:

From time to time I have poked a little fun at all the excitement some people work up over exploring outer space. I've been contending that when we finally get a man out into space, he may find there's nothing out there, at least nothing half as interesting as what he already had on earth, and all that money we're spending may be in vain.

But now I wish to revise my opinions a little. After long thought and meditation, I have figured out a reason why we ought to go ahead and explore space.

I thought of it the other afternoon while I was reading a newspaper I picked up a day or two before. Some people think if they don't read a newspaper the day it's published, it's not worth reading, but I've found you can wait two or three days and read it and sometimes get more out of it than you could the day it was printed, especially if you've read another one or two in the mean time and subsequent reports have corrected the earlier ones.

According to this article, nobody knows how much money the world owes. They have a pretty good idea what a given country owes, nationally, but nobody has figured up all the debts of all the states, all the counties, all the cities and towns, all the school districts, water districts, etc. and also, nobody has figured up how much individual families owe. But everybody agrees if you added up all of it, the figure would be overwhelming, flabbergasting. In fact, some people are contending the world if it keeps going in debt will wind up bankrupt.

Now here's where exploring space comes in. I'm not a lawyer, but I understand that when a man goes bankrupt, and wants to settle his debts by pleading bankruptcy, he has to at least find a court that's solvent to hear his plea.

If we can just find a planet out in space that's solvent, to take the world's bankruptcy plea to, that's just what we're looking for.

Instead of feeling our way into space, we'd better get out there in a hurry.

Your faithfully,
J. A.

Charles J. Matula

Charles J. Matula, 1701 N. Harding, Cameron, is serving two weeks annual training duty aboard the destroyer U.S.S. Wren operating out of Galveston, Texas. A member of the Waco Naval Reserve Division, Matula will return home June 20.

Charles M. Finney

GREAT LAKES, ILL.—Charles M. Finney, seaman, USN, son of Mrs. Marion F. Finney of Route 1, Box 149, Milano, serving aboard the destroyer USS Henley, is participating in "Operation Inland Seas", a cruise of 28 United States Navy warships to cities in the Great Lakes this summer.

Capitol Report

Ideas of Tax Bills Delay Agreement

By Vern Sanford

AUSTIN — When tax bills finally were passed by both the Texas House and the Senate, it was not dollars, but ideas that delayed agreement.

House bill was designed to raise about $150,000,000 over the next two years; Senate bill, about $160,000,000. Big difference was in where the money would come from. House bill was divided evenly between selective sales taxes and taxes on natural resources and corporation franchises.

Senate, which heard a long string of witnesses on the dangers of shutting prosperity making industries out of Texas, changed the ratio. In its version, natural gas and corporations pay about 18 per cent of the tab; selective sales taxes, 82 per cent.

Senate voted a 15-15 tie on its bill, with Lt. Gov. Ben Ramsey breaking the tie in favor of the bill.

Named to a free conference committee to adjust differences were Sens. R. A. Weinert, Seguin; Dorsey Hardeman, San Angelo; Charles F. Herring, Austin; Jimmy Phillips, Angleton; Bruce Reagan, Corpus Christi. Also Reps. V. L. Ramsey, Beckville; W. T. Oliver, Port Neches; Don Kennard, Fort Worth; Alonzo Jamison, Denton; George Cook, Odessa.

How They Stack

These items were hit, in varying degrees, by the House and Senate bills that went to conference committee:

CORPORATIONS—Senate, raise $10,800,000 by hiking the franchise tax from $2.25 to $2.75 per $1,000 capitalization. House, raise $12,000,000 by a new two factor tax on interstate corporation.

NATURAL GAS—Senate, raise $8,000,000 by hiking the franchise tax from 7 to 8 per cent. House, raise $36,500,000 by lowering production tax to 5 per cent and adding a 5 per cent severance beneficiary tax.

MOTOR VEHICLE SALES—Both houses agreed on increasing sales tax from 1.1 to 1.5 per cent to bring in an additional $7,000,000 to $8,000,000.

CIGARETTES—Senate, raise $31,500,000 by boosting tax 3 cents a pack. House, raise $10,500,000 (estimated) by a 1 cent a pack increase.

UTILITIES—Senate, increase the tax on water, gas and electric utilities by 20 per cent, for an estimated $2,600,000. House, increase all other utilities to the telephone company rate of 2.3 per cent, for an estimated $8,000,000.

ALCOHOLIC BEVERAGES—Senate, increase liquor tax from $1.40 to $1.65 a gallon, to raise $2,000,000 House, increase it to $2.25 a gallon for $7,000,000.

Wine, Senate increased tax by 20 per cent, for $201,000. House doubled it for $1,000,000.

Senate also tripled fees for selling beer and wine, doubled permits for liquor selling, for an estimated $1,600,000. House bill does not include this.

TOBACCO PRODUCTS—Senate, would tax all such products, except snuff, by 12.5 per cent, to raise $5,400,000. House tax is twice this.

SULPHUR—Senate voted to retain present rate. House would reduce from $1.40 to $1.03 per ton. There is disagreement as to whether production increase would offset the tax increase in total revenue received.

THEATER ADMISSIONS—Both Senate and House lopped this by about $120,000 a year.

SECOND EQUIPMENT— Senate added a 2.2 per cent sales tax on radios, televisions, hi-fi and stereophonic sets for an estimated $3,200,000.

BOATS—Senate added 1.5 per cent sales tax on boats and motors for an estimated $5,000,000.

Property Bill Nixed

For the second time this year, the House of Representatives has refused to sweep unclaimed property into the state Treasury.

Tie vote of 66-66 killed efforts in the Special Session. Vote that killed the bill earlier in the regular session was almost as close.

Gov. Price Daniel had urged the measure as a means of raising an estimated $25,000,000 for the State's ailing general fund. It would have required banks, oil and gas companies, insurance companies and others to turn over to the state any property belonging to persons who have been missing for more than seven years.

Bank lobbyists were blamed by Daniel for defeat of the bill. He said they must accept responsibility for the state's having to raise, through new taxes, the $25,000,000 the bill would have produced.

Do You Remember?

20 Years Ago

From The Files Of The Cameron Herald

The city's taxes were reduced ten cents.

Homer Fulton Jr., Boy Scout encamped for a week on the Brazos River near Calvert was drowned.

Cameron's American Legion Posts announced Midget Auto Races for July 4.

Miss Louise Meinen and Miss Mozelle Owen will go to A&M for the 4-H Club Rally.

Leonard Blaylock Jr. law student at Baylor, will remain in Waco to work on his degree. The son of the late Mr. and Mrs. L. L. Blaylock, he was a star football player in 1934-35.

Emory Camp was elected president of the Chamber of Commerce.

John Thweatt of Maysfield, Justice of the Peace Precinct No. 2 is a candidate for re-election.

The city of Hearne made plans to build a country club, golf course and swimming pool.

R. G. Grabein and John Jeter were the newly elected first and second vice president of the Chamber of Commerce.

Bud Woods, 26, died in a local hospital from burns sustained in an accident in the Sapp Motor Co.

The American Legion Awards went to Willard Skelton Jr. and Mary Joe Stedman.

Frank Corona Jr.

FORT JACKSON, S. C.—Private Frank Corona Jr., son of Mr. and Mrs. Frank Corona of 808 South Burleson has been assigned to Company C, 2nd Battalion, 1st Training Regiment at Fort Jackson, S. C., for eight weeks of basic combat training.

Douglas Williams

AUSTIN—Twenty-six University of Texas students or recent graduates are new members of Delta Sigma Pi; professional business administration society. Among them is Douglas Lennett Williams of Buckholts.

Lone Star Gas Co. Cites 50th Year

Lone Star Gas Company, one of the nation's largest integrated natural gas utilities, is 50 years old today.

"As we commemorate the Golden Anniversary of our Company," President L. T. Potter said, "we do so with a firmly established belief that to provide our system not only is an opportunity but a privi- and an obligation as well."

Lone Star, during the first 17 years of its life, was mainly a producer and transporter of natural gas. In 1926, after having solved initial, critical gas supply problems, the company began the major development of its distribution operations. It built hundreds of distribution plants in its system area and others, already in operation, joined Lone Star through purchase.

"This was more than a tremendous building program," Potter said. "It was the beginning of a basic and fundamental belief, now firmly a part of Lone Star's policy best be provided by one company serving its customers from wellhead to burner tip.

"There emerged early," Potter continued, "another concept which remains controlling with Lone Star: not only is every community in our company's operating area entitled to gas service whenever it is economically feasible but each resident in these communities also is entitled to good gas service. Many gas companies in this country today have waiting lists of people wanting gas service. Lone Star has never had waiting lists. Its service is provided to all who want it in accordance with the general pattern of service available."

One year after Lone Star was chartered on June 4, 1909, the company was operating 126 miles of pipeline extending from the Petrolia field, its sole source of supply, in Clay County to Fort Worth and Dallas, and was serving those two cities and 10 others with a total customer count of 14,719 customers.

Today, in its 50th year, the Lone Star serves 834,000 customers in and adjacent to 458 Texas and Oklahoma cities and towns. The company now obtains its gas from 13,0000 wells in 300 Texas and Oklahoma fields and reservoirs. The gas is transported from wellhead to customer burner tip through a completely integrated system if 19,208 miles of pipeline. Laid from Dallas to New York City, thence via New Delhi and San Francisco, the line would terminate two miles west of Weatherford, or 55 miles west of Dallas and a like distance short of forging a steel ring completely around the world.

District Dress Revue To Be Held July 29

The District 4-H Dress Revue will be held Wednesday, July 29 in Stephenville. All Senior 4-H Club girls are invited to take part in the County Clothing Workshops from June 29-July 13 to be eligible to compete in the county elimination.

Any senior 4-H Club girls interested in attending these workshops should contact the County Extension office on or before June 19.

Personal Mention

Miss Isabell Messimer of San Antonio was in Cameron on business and visiting local friends.

Mr. and Mrs. G. W. Barr and Ladis have returned from a weeks vacation in Arkansas, Missouri, and Oklahoma. They visited the Hobson Flour Mill in Mo. and saw the Pow Wow Indians in action in Okla. and they also toured the Ozark Mts. in Ark.In Mt. Grove, Mo., they visited Mr. Barr's sister, Mr. and Mrs. W. H. White.

Mr. and Mrs. Gaston Barmore and daughter Joan of Houston spent the week end with Mr. and Mrs. William F. North.

Mr. and Mrs. George Logan received word of the death of his sister, Mrs. Clara Eby in Curtis, Ark.

Mrs. Mary Radtke received news of the death of her brother-in-law W. E. Williams of Vinton, La. Visitors in the home of Mrs. Radtke have been Mrs. Emma Freeman Lexington and Miss Annie Radtke of San Marcos, both sisterin-laws of Mrs. Radtke.

Mr. and Mrs. Edwin Bigbee of Palestine spent Sunday with his mother, Mrs. Lottie Bigbee.

Mr. and Mrs. Barton Brown of Texas City visited his mother, Mrs. Frieda Meyers and other relatives over the week end.

Ann Wimberly daughter of Mr. and Mrs. D. S. Wimberly is now in Houston where she is employed.

Mrs. Douglas Brown of Edinburg spent the week end with her grrandmother, Mrs. Anne Henrichsen.

Mr. and Mrs. Frank Hanel visited friends and relatives in Houston last week end.

Lutherans Announce Vacation Bible School Schedule, Teachers

The Vacation Bible School of Trinity Lutheran Church of Cameron began Monday continuing every week day until June 27, with classes starting every morning at 8:30 and running until 11:30 Theme of the Vacation Bible School is "Going God's Way" based on the various ways in which the child of God serves his Lord in his life. Graded materials will be used for all age groups from age three to High School.

The school will be staffed by the following teachers and helpers: Mrs. G. L. LaGrone, Mrs. W. H. Williams, Mrs. Rudolph Friemel, Mrs. Willis Kuhn, Miss Bernice Chollett, and the Rev. L. R. Krout, pastor of the congregation.

All children of the community are invited to attend the school.

Jenness Receives Degree

Richard C. Jenness, son of Mr. and Mrs. C. B. Jenness, 206 East 7th St., was one of 2,636 students who received degrees and diplomas from Northwestern University, Evanston, Ill., Monday. He was a candidate for the Master of Arts degree.

THE BIG REASON WHY...

OLDS COSTS LESS IN THE LONG RUN!

Beneath the glamor and gleam of the '59 Olds is *hidden value* that explains why *Olds costs less in the long run!*

Every '59 Olds gives you the Wide-Stance Chassis with a 9-inch wider Guard-Beam Frame. Every '59 Olds features cooler running Air-Scoop Brakes *on all four wheels.*

Under the hood is still another Olds *hidden value*—the famous Rocket Engine with new fuel-saving economy for '59.

Is it any wonder that an Olds is *worth more* at trade-in time . . . *costs less* to own in the long run?

See your Olds dealer. Value-Rate The Rocket. Then you'll understand why so many people are joining the Big Swing to Olds!

Cameron Auto Supply Boasts The Best In Name-Brand Parts

It's Cameron Auto Supply for name-brand parts for almost any kind of auto, truck or tractor.

That's the promise of Allen Dodson and Jerry Mikula, partners in Cameron's leading independent auto parts business.

Their staff includes skilled specialists Raymond Goeke and Melvin Provasek who really know their auto parts and repair work.

If you want recognized parts equipment, here are some names you will find at Cameron Auto Supply Co.

Spark plugs by AC, Champion, and Auto Lite.

Oil filter cartridges by Fram, AC, and Hastings.

Mufflers and tailpipes by Walker Fuel pumps by AC, Airtex and Carter.

Bearing by Tempkin, Hyatt and New Departure.

And other parts brands include carbeurators and pumps by Carter, a complete line of Auto-Lite and standard ignition parts and Hastings, Perfect Circle, McQuay Norris and Ramco piston rings.

"Our customers can depend on auto parts such as Gates fan belts we stock for all cars, trucks and power equipment," Dodson emphasizes. "And they will find a complete line of McQuay Norris replacement parts."

"We are factory service dealers for Briggs & Stratton, Clinton Lawn Boy and Power Products, two and four cycle engines," Dodson emphasizes.

Glass, The Florist Has Flowers For Every Occasion

After 27 years in the wholesale and retail business, there is little doubt that "when you say it with flowers in Cameron and Rosebud Glass the Florist says it best." In fact two generations of Glass, the Florists, make floral service and selection a pleasure and delight regardless of the occasion.

Co-owners Mr. and Mrs. Lester Glass and son, Donald Glass, present an array of flowers for that special occasion that makes remembrance from Glass, the Florist something really special.

Donald Glass points out that potted plants, sprays, corsages, bouquets, cut flowers and any other floral requirement are available in a spectrum of selections.

Greenhouse Fresh

He emphasizes that flowers by Glass are greenhouse fresh to their customers. Glass, the Florist grows most of their flowers in their own local greenhouses.

Freshly picked, the flowers are beautifully arranged by the skilled floral decorators at Glass, the Florist. And they are delivered in fast efficient manner by one of five trucks working in Cameron and a truck in Rosebud, he points out.

Stedman Tractor Co. For Ford

You get power you can depend on with Ford Powermaster tractors available at Stedman Tractor Co., Cameron, according to H. H. Stedman, agency owner.

Stedman points out that his tractor agency features sales and service on all Ford tractors and field equipment and New Holland balers, rakes and mowers.

His company also handles the famous Maytag gas range, washers, dryers and conventional washers. Another product well-known for its efficient operation, Stedman says, is Toro Lawnmowers.

'We have operated a Ford tractor agency since 1946 on the basis of fair price on all our farm equipment, good trade-in allowances on used equipment and the best Ford farm equipment repair in Central Texas."

Hugh Smith has managed Stedman Tractor since it was opened. The agency was moved to its present location, First and North Central, a short time after it was established in Cameron after World War II.

"Stedman Tractor also has excellent service personnel in Leroy Barkemeyer, our service manager and Herman Reineke, tractor mechanic. Barkemeyer has 10 years of experience while Reineke has about seven," Stedman says.

New Variety Of Tomatoes Tried

By J. D. Moore
County Agent

Because of extremes in temperatures, summer varieties of tomatoes adapted to this area are a problem. Mr. Bill Whitake and son, truck and vegetable farmers south of Cameron, are testing a new summer variety of tomatoes called "Hotset'. This tomato was developed to provide fruit for an additional market season from August to October. Other tomato varieties usually set satisfactory crops of fruits in East Texas in the spring.

Standard tomato varieties require blooming temperatures of 59 to 69 degrees at night and 70 to 86 degrees in the day for at least 36 days in both April and May to set large crops of cruit. They usually set few or no fruits when temperatures are warmer from June to August, consequently, local tomatoes usually are rare during summer and fall months.

Research was stated in 1947 to develop a tomato varieyt that would set fruits in warmer weather and produce marketable fruits for summer and fall markets. Hotset is the first variety to result from this project.

PARENTAGE

Hotset was selected froma cross of S1114 x Step 179 that was made at the Jacksonville Station in 1951. S1114, female parent, was a selection from (Targinnie Red x Rutgers) x Gulf State Marek which was received from the U.S.D.A. vegetable Lab in South Carolina. Step 169, male parent, was a selection derived from the cross (Burgess Crack Proof x Wisconsin 55) which was received from the Campbell Soup Co.

DESCRIPTION

Hotset is a prolific tomato variety with smooth, red globe fruits averaging 3 to 8 oz in weight, usually dark red interior color and delicious flavor; darker green tops on green fruits; large, open indeterminate vines 3 to 6 feet long; green fruits resistant to sunburning, puffing and catfacing; and flowers with strong resistance to heat sterility.

PRODUCTION

Yield tests and observations show that Hotset regularly produces greater yeilds than Rutgers, Homestead and Stokedale from August to October. Hotset also produces ripe fruits 2 weeks or more sooner and matures more of its fruits before frost. However, Homestead usually appears to be the best spring tomato variety for East Texas.

Navasota, Tex., Man Reports—

Big increase in corn, cotton yields

Eddie Sullivan, successful young Grimes County farmer, says: "On the average, I have just about doubled my yields of corn and cotton, since starting to use Phillips 66 Ammonia. Year before last I had a 100-bushel corn crop and got 2 bales of cotton to the acre. Last year, under unfavorable growing conditions, I still got a good yield of corn. One big advantage ammonia offers on dry land crops is nitrogen carryover if lack of moisture brings a crop failure."

Other successful Texas farmers have discovered that they make more profit per acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin . . . yields of sorghum grain or ensilage are increased . . . profits on wheat and small grains are boosted through higher grain yields and improved forage . . . more marketable vegetables are harvested.

Phillips 66 Ammonia can be easily applied by you or your distributor. See us today about Phillips 66 Agricultural Ammonia . . . it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Order Your Supply of Phillips 66 Agricultural Ammonia Today!

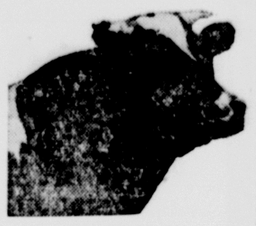
Cameron Livestock Report



Thursday Sale

The market at Cameron Livestock Auction was generally steady with last week. All classes of stockers and good slaughter cattle were selling in line with last Thursday.

There were 193 sellers and 62 buyers present. A total of 779 cattle, 51 hogs and 1 sheep were consigned.

Thursdays prices were:

STEERS:		
Good & Choice Fed Steers & Yearlings	25.00	27.50
Common to Medium	21.50	25.00
COWS:		
Fat Cows	17.50	20.00
Canners and Cutters	12.00	15.50
Stocker Cows	17.50	22.00
BULLS:	19.00	23.60
CALVES:		
Good & Choice Sluahgter Calves	28.00	32.50
Common and Medium Kinds	25.50	28.00
Culls	22.00	25.50
Good & Choice Stocker Steer Calves	32.00	40.00
Heifers	27.50	30.00
Medium to Good Stocker & Feeder Steers	24.00	28.00
COWS AND CALVES:		
Good	240.00	265.00
Medium	190.00	225.00
Plain	165.00	190.00
TOP HOGS, Sold Direct 200 to 245 Lbs.		15.00

Mr. and Mrs. J. P. Wise left for Jacksonville, Florida, to visit their daughter, LCDR and Mrs. R. K. Reider. They will then accompany the Reiders to Philiadelphia to visit a son, Dr. Robert Irby Wise and family. Enroute they will visit in Baton Rouge, La. Pennsicola, Fla., and Blackstone, Va. They plan to be gone about a month.

Ass't Agent Notes

Milam 4-H Teams Place In Roundup

4-H teams from Milam County did well in participation at the 4-H Roundup at College Station, June 9-10.

The Poultry Judging team placed second. Team members are Joyce Fuchs, Arvell Jungmann, Edmund Michalka and Barbara Barta of Cameron. Joyce Fuchs was fourth high individual, Arvell Jungmann fifth high and Edmund Michalka sixth high in the contest.

The Grass Judging team placed 11th. Team members are Henry Tomasek, Jr., Leo Rozner and Bobby Hillman from the Ad Hall Community.

Placing fourth in the Poultry Method Demonstration were Bobby Rosenthal and John Gilschrist from Thorndale.

Highlights of the Roundup were the judging and demonstration contests, a very stimulating address by Kenneth McFarland, Educational Consultant and Lecturer of General Motors Corporation, a Chuckwagon barbecue and 4-H talent show.

Following the contests, each team toured the Department sponsoring their respective contest. Tour guides pointed out department facilities and research work being carried on. Microscopic techniques for determining egg quality were shown. Technique used in the study and effect of vitamins and feed additives in the internal organs of baby embryo in chicks and poults were shown.

Slides were shown of the 4-H Range Camp held at Junction and the various types of demonstrations 4-H members can conduct.

Mrs. Theo Fuchs, adult leader, Mr. J. D. Moore, county agent and Robert Hoermann, Ass't county agent, accompanied the teams to College Station.

Dairy Calves

Martin Jistel and Johnnie Ray Richter are the proud owners of baby heifer calves. Their Houston Scramble heifers have developed into some very fine cows and both heifer calves during the past week.

The boys are well on their way to developing a dairy herd. These animals will be visited during the June 22 dairy tour.

Waco Naval Reserve Needs New Recruits

Former navy hospitalmen and inactive reservists with that rating are needed by the Waco Naval Reserve Surface Division, Lt. Cdr. W. W. Fall Jr., commanding officer, reports.

Also needed are new recruits, especially non-veterans who want to fulfill their military obligations by participating in drills and annual training duty.

Weekly drills are held from 7 to 10 p.m. each Wednesday at the training center, 41st and Maple, Waco. Members get a full day's pay for each drill, plus full pay and travel allowances for annual two-week training cruises.

Other benefits include promotion in rank, and retirement with pay after twenty years service in the reserves.

Mrs. Fannie Smith and daughters, Miss Kitty Smith and Mrs. W. H. Frazier of Houston and Mrs. Mary Pearson of Conroe visited in the home of Mr. and Mrs. Jesse Gibbs and Bobbie Jean Jones and children.

County Agent Reports

Crop Prospects Are Good

By J. D. Moore
County Agent

Crop prospects continue good, even better than last week except for insect damage to corn. A very promising corn crop is in the roasting ear stage with enough moisture in sections of the county to make good yields.

Chinch bug damage in corn sounds like a "broken record" because of the occurence in this column but this is "for real." These insects have built up in tremendous numbers and are damaging maturing corn in a good many areas. Farmers are urged to inspect their fields without delay. The chinch bugs start at the ground and suck the sap from the corn stalk as they move up unnoticed. By the time they are noticed in damaging numbers, the corn stalks have "fired-up" from the ground, up to two feet. This condition will not only reduce yields but will likely cause the corn to lodge (fall dawn) by maturity date. Since most of the corn is harvested mechanically, fallen corn greatly reduces the efficiency of these machines.

What can be done? Aeroplane applications are most practical because of the height of the corn. Toxaphene, DDT and Dieldrin are recommended at rates of 1 1-3 to 2 quarts per acre. It is reported by Mr. V. L. Angell that 70 to 80 per cent control was obtained by an application of DYNATOX put on by the local air service this week. On Friday, June 12, the local air service treated a field of corn for Henry Richter. Those interested may check with these men for their opinions. The above commercial product is a mixture of Heptachlor, Parathion and DDT. A residual spray is necessary for more effective results.

Cotton

COTTON continues to make excellent progress with blooms likely to appear by June 20. From all indications insects are being controlled. Farmers are advised to inspect their fields for fleas, apply poisons if needed, and stop poison applications by the time the first bloom appear.

Maize

Maize crops cannot be estimated for another 30 to 60 days. Older maize is heading now but will not reach maturity before July 20.

One field of maize was inspected in the Thorndale community last week for possible insect injury. There was no appreciable insect damage but there were scattered heads showing a "sterile" condition. This is a condition where the "seed flower" failed to develop. This condition is due to head smut. No control measures are recommended except seed treatment before planting.

Youth Evangelist Returns To Cameron

Fourteen year old evangelist Daniel Vestal will lead revival services at the Battetown Baptist Church June 17-21.

Services will begin 7:30 nightly and 10:00 a.m. in the morning.

Daniel has been preaching since the age of six and has held revivals in many churches. He will bring with him 15 year old Darryl Parker to lead the singing. The public is extended an invitation to attend.

Cats Win 7-4 To Break 3-Way Tie

Babe Ruth League action the past week was highlighted by Monday nights game in which the Cats set back the Colts 7-4 to break a three way tie in the standings.

Previous to the game each team, Colts, Cats, and Owls had even 2-2 records.

The win by the Cats gave them the first place berth, the Owls second place with two-two and the Colts third with two-three won-lost record.

The game was a four-four tie going into the seventh inning. The first two batters were retired before McGoldrick came through with a double and advanced to third on a single by James Anderle. Chester Simons then got hold of one and knocked the ball out of sight over the left field screen for a three run homer to cinch the game.

Simons was the winning pitcher going the distance giving up seven hits and fanning ten.

Charles Staley was the loser also allowing seven hits, he fanned five.

James Anderle and Simons led the Cats at the plate. Anderle was two for four and Simons had a three run homer.

Edwin Michalka was three for three for the Colts getting two doubles and a single while Staley was two for three.

Cats Drop Owls 8-0

In Thursday nights game the Owls were upset by the Cats 8-0.

The Cat's winning pitcher was Bob Dymke, he allowed five hits and struck out eight men going the distance.

The Cats scored a number of their runs due to errors on the Owls behalf. They scored one in the third, three in the fourth, two in the fifth, and 2 in the sixth.

David Walston was the losing pitcher.

Moraw and Simons led the Cat hitters accounting for five of their eight hits. Third baseman Steve Malone had two hits for the Owls.

View On Sports

By Robert Mann
Herald Sports Editor

With Cameron's Babe Ruth League season well in progress there are a number of players who are catching the eye of interested fans, coaches and players.

Some of these players are rather used to being in the limelight being veterans of several seasons of Little League, Pony League and Babe Ruth League baseball.

The player who is probably getting more attention than anybody is Cat shortstop James Anderle.

Ever since the first game of the season Anderle has been fielding the best shortstop position as the best in the League and has as yet to fail to come through with a hit in the clutch.

Right behind him is Bobby Jones who in two relief pitching appearances has pitched the Owls out of tight spots with runners on base onto victory despite his being a rookie to the league.

Monday night a new star was born. Carroll Kennon at second base for the Colts made two brilliant fielding plays in a row and succeeded in throwing his man out with running tosses.

Kennon, in the lineup in the outfield the first part of the season, was moved to second due to a player shortage. He's one of the youngest players in the league and has little experience behind him.

V O S

Charlie Burke of Cameron has to his credit a hole in one. Burke, a member of the Cameron Country Club turned his feat at the Country Club and was the second person to do so recently.

Andrew Esslinger turned the trick about a month ago.

Tuesday night while a Babe Ruth League baseball game between the Owls and Cats was in process there was a sudden explosion, a bright light, and shattering of glass directly over the baseball field.

For a few seconds a hundred fans and active players seemed to think the sky was falling in. It turned out to be nothing more than a light bulb above home plate had burned out and went "boom".

After a 45 minute delay to locate a new bulb, play was resumed in the normal fashion.

V O S

With school well oer and summer moving along at a rapid pace some sport fans are looking at Cameron's football team for next year.

With graduation of some 10 lettermen there will be a lot of familiar names missing when the gridiron season rolls around again.

Lost in the backfield was Jesse Kirk, Archie Mraz, and Allen Dodson. To take their place more than likely will be Charles Hollas, Bernay Dusek and Carroll Fikes.

Mainstays on the line like George Zarosky, Ray and Johnny Tepera will be filled in by Ronald Brashear, Grif Barrett and Ernest Bayer and others who have seen limited service in the past due to youth and inexperience.

James M. Wiggs Attends Convention

James M. Wiggs went to New Orleans this week, to attend the 1959 convention of agents of Southwestern Life Insurance Company. He was accompanied on the trip by Mrs. Wiggs.

Mr. Wiggs earned the trip by his production of quality business during the past year.

Approximately 200 agents will attend the 2-day meeting on June 18 and 19.

Mr. and Mrs. Wiggs expect to return to Cameron by the end of the week.

Merchants Loose 3-2 Heartbreaker

The Cameron Merchants lost a heartbreaker to the Westphalia Farmers Sunday 3 to 2. The 1 run loss was Cameron's third of the season that's now half way over.

Gerald Beach took the win for Westphalia, he was spelled by Hoelscher. Marvin Doskocil hurled the first 4 innings for Cameron and was relieved by Terry Sheldon.

Chester Simons led the Cameron team 9 going 2 for 3. A homerun was the sparkplug act for Westphalia.

The Farmers scored 1 in the fourth and 2 in the fifth. Cameron's tallies didn't come until the sixth and eighth innings.

Cameron Sets Back Buckholts Saturday

The Cameron all stars set back the Buckholts all-star team Saturday night dropping them 13-3.

Bobby Jones started for Cameron and hurled the first three innings giving up 5 hits and fanning 4. Bob Dymkie took over and pitched 2 innings giving up no hits and striking out 4 batters. Charles Staley hurled the sixth giving up 2 hits and fanning 1. Steve Malone finished the game fanning 2 and allowing no hits. Jones got credit for the victory.

Cameron's 14 hits were well spread over the 7 inning game with shortstop James Anderle going 3 for 6. Malone, Jones, Allen Boyer and Stanley Summers each got 2 hits.

Malavitz led the Buckholts sluggers going 2 for 4. In all they had 7 hits.

Misses Sue and Dora Shaw of Eagle Pass were visitors in Cameron last week.

Mr. F. H. Eickenhorst of Temple has returned to Cameron. At present he is a patient in Newton Memorial Hospital.

Miss Ann Swift, student at SWSTC, San Marcos, visited her parents, Dr. and Mrs. C. G. Swift over the week end.

Johnny Davis left Sunday for Austin, where he will attend the University of Texas.

Mrs. A. H. Halberdier has recently returned from visiting her daughter and family, Mr. and Mrs. H. D. Fortenberry at Bagalausa, La., to welcome a new grandson Mark Henry, born May 14.

Dr. and Mrs. George Bowman were visitors in Dallas over the week end.

Mr. and Mrs. Murphy Webster and family left Friday for Corpus Christi where Coach Webster will attend summer classes at Del Mar Junior College.
